A large box has been received and unpacked at the White House. It contained a massive desk and a writing-table, a present from Queen Victoria to the President of the United States. It is made of live oak, and weighs 1,300. It is elaborately carved, and altogether presents a magnificent specimen of workmanship. It is made of the timbers of the Arctic exploring ship Resolute, and the inscription on the top reads: "Presented by the Queen of Great Britain and Ireland to the President of the United States as a memorial of the courtesy and loving kindness which dictated the offer of the gift of the Resolute."

The officers of the No. 6 Navy Yard are justly indignant because the Captain of the British ship Sandringham, which was beached off Cape Henry, some time ago, and which, by the courtesy of the Secretary of the Navy, was allowed to come into the dock yard to repair, took occasion to launch the bitterest invectives upon the American Navy, its officers and the flag. Commodore Hughes, on learning this fact, ordered the vessel from the yard at once, and no work will be allowed to be done on her until instructions are received from the Secretary of the Navy.

On Wednesday evening, at Carson, Nev., while Superintendent Crawford, of the Carson Mint, was cleaning and reloading a Winchester rifle, the gun was discharged and the ball passed through a partition and struck Charles D. Another old British institution disappears with the present year, the "pipe clays" worn in the army. The Guards only will retain theirs in deference to the Duke of Cambridge. The "pipe clays" will be replaced by bolts of brown leather.

THE UNION.

BRIDGEPORT, NOVEMBER 27, 1890.

The Union office is in Towle's Building, Bridgeport.
JOHN PRINTING.—Job printing of the finest description will be furnished at this office at reasonable prices.

LOCAL INTELLIGENCE.

STRANGE, IT TRUE.—On Sunday last the "waste-dump" of the Free Press gravely stated that that day was the shortest of the year, and henceforth they would lengthen. As this is a remarkable age, it may have been so in Bodie, but down this way the shortest day is the commencement of Winter—December 21st. Ye "waste-dump" man must refresh his memory.

UNSUCCESSFUL.—The result of the examination of applicants for teachers' certificates was that they did not merit any, and it cost the county about forty dollars to ascertain the fact.

APOLOGY.—Owing to a press of advertisements, together with short help, and the intervening of Thanksgiving Day is our apology for our short-comings of reading matter this week.

REMOVED.—Henry Robbins, who was shot by Thomas Hawkins, on the 2d inst., was removed to the County Hospital on Tuesday last. His condition is hopeless.

COURT HOUSE.—After a suspension of a few days, work was resumed on the Court House on Tuesday. It is expected that it will be finished within a month.

Snow.—On Tuesday night three inches of snow fell on our streets.

THE DAY.—Thanksgiving Day was observed in accordance with the time-honored custom.

DOLL.—This week has been decidedly a dull one.

BODIE ITEMS.

Thanksgiving Day was a clear and beautiful day, and the citizens of Bodie made it a day of general hilarity. New England diners were the order of the day, and we repeat the assertion that Bodie got away with more poultry than any town of its size in the State. The Chronicle-Union was not forgotten by our Bodie friends on that occasion. On Wednesday evening we had a pleasure of attending a dinner given by Mrs. Minnie Brearly to her boarders. A few invited guests at her cozy home met. The fair hostess and her assistants were not at all troubled in preparing one of the best banquets ever given in Bodie, and her guests were appreciative and were both to leave the festive board, and when the parting hour arrived the best wishes of the guests were heartily expressed. It was a very pleasant gathering and will not be forgotten by those participating.

On Thanksgiving Day the "venerables" of the Chronicle-Union were the guests of Wm. Johnson, of the Bodie House, and brought greatly entertained by that place of hospitality. In company with our friend Judge Newman we partook of a dinner that could not have been excelled. Mr. Johnson's boarders were liberally treated and a good time Thanksgiving dinner, the 27th being liberally endowed with the traditional turkey, mince pie, cakes, nuts, fruits, etc. We owe much to friend Johnson and M. Wilson, the polite clerk of the Bodie House, for their kind attention.

The Can Can Restaurant and Tower & Fullride's Bodie Hotel also gave fine dinners, and had a great rush, for everyone had to have turkey on Thanksgiving Day. Mrs. Brown, of the Mono Hotel, gave a dinner to a small circle of friends, and we regret that we were unable to avail ourselves of a kind invitation to make one of the party. A fine present had a pleasant time, and speak in the highest terms of the attention and hospitality of the

A large number of private dinner parties were given, and our people, generally, enjoyed the holiday rationally.

SCHOOL EXHIBITION.—The pupils of the Bodie District School will give a public exhibition on Saturday evening next at Miners' Union Hall. Under the direction of Miss Pitcher, the principal, assisted by Prof. Hagman, the entertainment will be well worth attending.

FLOOD.—The upper part of Main street, Bodie, is flooded with water from the south end mine, a street being impassable for teams. Some system of drainage should be devised to remedy the evil.

CHRISTMAS PRESENTS.—In about four weeks Christmas will be at our doors, and many are thinking of the presents they desire to make. Those wishing to make an acceptable and tasty gift can find the very article wanted, at L. Hollander's, the leading jeweler of Bodie, who has a splendid assortment of rich jewelry of the newest styles, fine watches, silver and plated ware of the most modern patterns, etc.

DENTISTRY.—Dr. Freshaw, who has entered upon his fourth year residence in Bodie, and can be found at his new rooms, Standard Building, next door to the telegraph office, does everything in the line of dentistry skillfully and promptly. We commend him to the public.

Garfield arrived at Washington on Tuesday, and was warmly received by his friends and admirers, but in accordance with his expressed wish there was no great display.

The official vote of New Jersey is: For Governor, Ludlow, Dem., 121,666; Potts, Rep., 121,015; Hoxie, G., 2,753; Ransom, P., 195; Garfield, 120,556; Hancock, 123,565; Weaver, 2,617; Dow, 195. Hancock's plurality, 2,010.

It appears that Garfield was not in Washington the day the Morey letter is dated. It is said that some weeks before the letter came out it was discussed at Governor's island by leading Democrats, and that its publication was then decided upon.

A New York dispatch says that in the case of Levi Strauss & Co., of San Francisco vs. H. W. King & Co., of Chicago, for infringing plaintiffs' patent on riveted clothing, Judge Blatchford has entered a final decree, giving plaintiff a perpetual injunction and \$20,000 damages.

The official count shows that both branches of the Arizona Legislature are largely Democratic.

About 200,000 gallons of wine have been made in Mission San Jose this season.

BIRTHS.

TOMKINS.—In Bodie, November 23d, the wife of Wm. Tomkins, of a daughter.
